## FALL ACTIVITIES

### FROM CHRIS:

This week I pulled something for our clients who live year round in warmer climates. This particular article focuses on Florida but it seem relevant to all warmer climates. My favorite: The colors begin to change...that is the color of license plates. Happy fall to all!

### FROM SCOTT:

The fall season and the changing of the leaves always brings me back to my youth and my love for cross country running. New Jersey has some great parks and trail systems to take in the fall colors. I look forward to showing my daughter Eleanor all the beauty NJ has to offer during her first fall season!

### FROM JENICA:

I'm a beachgoer through and through, but this list is great for fun fall ideas!
