

# Warren Wealth Weekly Wisdom

## USEFUL PHONE APPLICATIONS

### FROM CHRIS:

Sometimes we forget how lucky we are. The 'Gratitude' app is a wonderful daily reminder of the little things in life. It is also a completely private and colorful journaling tool. Check it out!

### FROM SCOTT:

With all the streaming services available out there, I have found the app 'IMDb' to be super helpful in compiling the info into one place. You can use it to find showtimes, watch trailers, browse photos, track your Watchlist and rate your favorite movies and TV shows on your phone or tablet!

### FROM JENICA:

You may not know that we have a great tool for seeing all of your accounts in one handy place, the 'Investor 360' app! You will need to contact our office for your user name (if you don't already have one) but it is extremely user friendly once you do. Contact our office if you have questions. You won't be disappointed!
