Travel Plans?

As we see the world slowly begin to open, there are still many areas of our lives that will take time to return to "normal." Travel, for most of us this summer, will be confined to how far we are willing to drive by car. It is for that reason that we thought we would share the link below from Travel and Leisure. This link will take you on a virtual tour of 12 famous museums around the world, from the comfort of your home.

As always we send our best to you and your loved ones!
